Dear Participant,

Did you know that Autism is the fastest growing developmental disability? That the number of people affected by it is growing at 10-17% per year? That it currently affects well over a million people in America, and costs \$90 Billion a year? That in ten years the cost will rise to \$200-400 Billion?

The Order of the Three Guardians, Inc. is having its First Annual Golf Classic to be held on September 10, 2008, at Camas Meadows Golf Club. The Order of the Three Guardians is incorporated as a 501 (c) 3 non-profit organization and was founded in 1999. The purpose of this fundraiser is Autism Research and support.

We invite you to join us as a sponsor for this event. By being a sponsor in this event you will be promoting your company to a group of people who are very loyal to its sponsors, as well as to the many area professionals who will be participating at the Outing itself. Companies like yours make available the resources that will help prevent Autism.

We are anticipating a highly successful and well-attended Outing. Show Three Guardians friends, neighbors and colleagues your company's commitment to help ending Autism and become a sponsor. We are offering various levels of sponsorships. Please see the attached sponsor form for more information.

We are also dedicated to an outreach program to the parents, family members and caregivers to help in day care, emergency care, summer camps, behavior and continence training and life skills. In addition, there is a fund for parents, guardians and caregivers of autistic children and adults for these individuals who give so much in the care of their autistic child, ward, guardianship and funded vacations for up to one week with full care offered to their autistic ward. Because of this effort, one can periodically find some relief, while we, the Three Guardians, offer some relief.

We thank you in advance for your support for this cause that is so dear to our hearts.

Sincerely,

Chaz Wellington
Treasurer
